Dear Captain Beamon:

On behalf of the students and staff of our Orientation to Foreign Travel Course, I would like to express our appreciation for the contribution of Ms. Sandra Munford Fowler and Lieutenant Robert Hicks.

This course is designed to prepare Agency employees, both mentally and physically, for an overseas assignment. Ms. Fowler and Lt. Hicks' two-hour presentation on "Cultural Shock and the Cycle of Readjustment" provided our students with a thorough overview of the cultural adjustment cycle and strategies for managing the experience. Their well-planned and informative briefing contributed considerably to the success of the course.

We appreciate their willingness to participate in our training program. I hope we can continue to call upon your people for their expertise. Again, thank you for your support.

Sincerely,

Director

Training and Education
